September 2026

$3,850
possible duplicate payment to recover

$2,268 a year
in price rises and new charges to check

5
items to check

SUMMARY

Spending in September 2026 was $30,049, 139% higher than a normal month ($12,586). That's 179% higher than September 2025 ($10,763).

POSSIBLE SAVINGS

- To recover: 1 possible duplicate payment totalling $3,850.
- To check: price rises from 1 supplier, adding about $1,200 a year.
- To check: 1 new regular charge, costing about $1,068 a year.

WHAT TO CHECK

1. Possible duplicate: CleanRight Services was paid $3,850 on 20 Sep and again on 23 Sep. Check whether this was paid twice and ask for a credit if so.
2. Price rise: FastNet Broadband now costs $520 a month, up 24% from $420 (about $1,200 more a year). Check the contract, or get another quote.
3. New regular charge: LearnHub Software, $89 a month since July 2026 (about $1,068 a year). Check it was approved and is being used.
4. First payment to a new supplier: Harbour AV Solutions was paid $4,600 on 08 Sep (Equipment). Check it was approved and the supplier's bank details were confirmed by phone.
5. Unusual payment: FixIt Maintenance was paid $9,800 on 17 Sep (Repairs & maintenance), much more than the usual $524. Check it was expected and budgeted.

ACCOUNTS ABOVE NORMAL

- Repairs & maintenance: $11,335, against a normal $924 (up 1126%); same month last year $234.
- Equipment: $4,600, where a normal month has nothing; same month last year $0.
- Cleaning: $7,700, against a normal $3,850 (up 100%); same month last year $3,850.

SPENDING, LAST 12 MONTHS
